The Honorable Theodore F. Green United States Senate Washington 25, D. C.

Dear Senator Green: As requested in letter of 16 September 1958, we have considered the application of Mr. STAT employment with this Agency. Mr. application indicates an interest in administrative work and also shows that he has a good know-Aedge of French, Italian, and Spanish. He adds that he is generally interested in foreign languages and is now studying Russian. We have reviewed his application against openings which might offer an opportunity for a man of his interests and background but there appears to be no suitable opening for which he might be considered at this time. We appreciate your bringing Mr. STAT interest to our attention and regret that our response cannot be more encouraging. Sincerely, Distribution: STAT 0 & 1 - Addressee 1 - ER 1 - DCI Allen W.
